

# 7th Grade Science 2020-2021

Seventh grade science in Texas focuses on Biological Science with a high emphasis on the process and methods of Scientific Inquiry. Feel free to email us any time, that is the fastest and easiest way to contact us with any questions or for further information.

Be Safe - Follow school, classroom, and lab safety rules and be a good example for others

Be Respectful/Kind - Be polite when interacting with classmates and the teacher. Try your best each day and ask for help when needed.

Be Responsible - Arrive and be seated before the tardy bell. Bring your pencil, notebook, and earbuds to class every day

**Grading:** 70/30 - Summative/Formative

70% - tests, formal labs, and projects

30% - homework, quizzes, daily class work

**Testing policy:**

Curriculum and quarterly tests make up a large portion of your overall grade. If you fail a test, it is required that you schedule two tutoring sessions. One to review what you missed and a second tutorial session to retake the test. Your score can be raised up to an 80% based on your retest.
