

Dear Parent/Guardian,

Cockrill Middle School is kicking off summer reading with our first ever “Summer Book Club.” If your child would like to participate, please fill out this registration form and return it to the CMS Library by **Wednesday, May 8th**. If your child is currently a 5th grade student at an elementary school, please return this form to your elementary school’s library by **Tuesday, May 7th**.

The CMS Summer Book Club will feature the book *Insignificant Events in the Life of a Cactus* by Dusti Bowling. Students who choose to participate in the Summer Book Club are committing to reading the book and participating in the summer book club activities (these will be available online). Upon admission into the club, your child will receive a handout with more information about these activities. When the 2019-2020 school year begins, a date will be selected for the Summer Reading Celebration, which your child will be invited to attend based upon their participation in the summer reading activities.

This book was previewed and selected by Mrs. Scott based upon its themes and literary merits. Even though discretion is used in choosing an age appropriate book, it is possible that the book may contain elements that an individual parent deems inappropriate for his/her child. You are encouraged to read and discuss the book with your child.

**The CMS library will provide a personal copy of the summer reading book, *Insignificant Events in the Life of a Cactus*, for the first 100 students who turn in their registration form.** If your child registers after that number is met, you will be responsible for obtaining a copy of the book for reading. **We will not accept late registration forms.**

Please contact Lauren Scott, Media Resource Specialist at Cockrill Middle School, for any questions you may have: [lscott@mckinneyisd.net](mailto:lscott@mckinneyisd.net).
